I will reach out today and work on this. I will try my charm on the property owner to get it as cheap as possible 😊

Thank you,

HAA, you poor guy.....

I was just talking with the OSC about this site and the DWO indicates that you should reach out to me to work with an owner for setting up rent of his land. It is a small driveway type tract of land. I have done some research and rent of apartments is around 500-600 month. This is a small tract with no utilities so 200 month seems reasonable. We will be setting up a decon line and rehab area on it. You can do your own research and I will leave it up to you to contact the owner and negotiate the cost. If he wants more, please request OSC approval prior to signing an agreement.
